No other changes to the International Laws of the game should be made.

Scores entered in to MySideline should reflect a fifty (50) point margin and be adjusted as necessary. Recommended suggestions for the coach of the dominant team to employ to avoid an early end to the match:

- ⊘ Reduce the number of the dominant team's players on the field.
- ⊘ Return possession of the football to the opposition.
- ⊘ Try players in different playing positions.

Finals Eligibility

- ⊘ To be eligible for any Finals Series match, a player must have **played three (3) or more Premiership fixture matches** in the current season for their club prior to the completion of the final round of fixtures as well as satisfying other applicable qualification rules. In this case the lower grade match shall count in determining qualification.
- i. All players who have met the minimum match requirement will qualify to play in the Finals Series in the division and/or graded competition where they have played most of their matches.

- ii. If a player has participated in an equal amount of premiership competition matches in multiple levels of competitions, the player shall be deemed eligible for the lower level.
